

How do we get involved?

Costs

As a consequence of the re-structuring of the Learning and Skills Council, Formula Schools is now unable to offer the equipment free of charge.

Once registered a school will receive a starter pack containing all the hardware to run the scheme, the cost of this is £375.00 payable at any time within the year.

This also includes:

Entry to Race Day at Silverstone for up to 15 persons

Support, via phone, e-mail, web, visits.

Technical

Curriculum

Newsletters

Web based material

Visits to your school to assist in classroom/ extra curricular delivery
